

Wheel of Reconciliation

Materials: pen or pencil, paperclip, sheet of paper

Before beginning the game, write a question about the sacrament of Reconciliation in each space on the wheel. The first one has been done for you.

How to Play:

Exchange your “Wheel of Reconciliation” with a partner’s. Take a turn by spinning the wheel. Make the paper clip “spin” by placing the tip of the pen or pencil both on the inside of the paper clip and on the center point of the “wheel.” Hold the pen or pencil in place while using a finger to “spin” the paper clip. Read the question you “land” on, and answer it on a sheet of paper. Each correctly answered question is worth one point.
