FOLD

O God,
you who would do all things for us
have shown us the light of your Son.
We have seen his star
at its rising in our lives:
in the love we exchange with our families,
in the many friendships that we share,
in the fellowship of our Church community,
in all the good we can do for the world.
Thank you for the Epiphany of our Lord Jesus Christ;
may his light grow ever stronger
in our hearts today
so that our whole lives become gifts to him
and everyone can see in us
an ever-present showing forth of his love and compassion.
