

A Celebration of Epiphany

A Gift for Jesus

When the magi went to see Jesus, they brought gifts of gold, frankincense, and myrrh (a kind of oil that was used for anointing). These may seem like strange gifts to bring a baby, but each one has a symbolic meaning. Each gift tells something about who Jesus is.

Talk to other members of your household. If you were visiting the Holy Family, what gift could you bring that would tell who Jesus is to you? Write or draw your answer here.
