

Caring for God's Creation

How can your household care for the gifts of creation?
On three different petals, write about the ways you can:

- Take care of God's earth.
- Take care of God's animals.
- Take care of yourselves and others.

Decorate the petals, if desired. Sign your names to the petals and cut them out.

When you finish, take each petal and add it to the flowers on the wall.
Match your petal to the right flower by looking at the flower's center.

Caring for God's Creation

A large yellow oval with a dashed orange border and a horizontal line across its center, intended for writing.

A second large yellow oval with a dashed orange border and a horizontal line across its center, identical to the one above.

Caring for God's Creation

Take care of
God's earth.

Caring for God's Creation

Take care of
God's animals.

Caring for God's Creation

Take care of
yourselves
and others.
