

is an open Bible. When we see it, or something like this (John 13:34), we hear the word of God.

means that we will make the sign of the cross and pray as we begin our lesson.

means it is time to review the important words we have learned in the day's lesson.

means we have an activity. We might

talk write act  
draw sing  
work together imagine

There are all kinds of activities!

means it's time to sing! We sing songs we know, make up our own songs, and sing along with those in our *We Believe* music program.

Each of these signs points out something special that we are going to do.
