

When we see
We Gather we come
together as a class.

Each day we learn more about God.

WE GATHER

We begin by taking a moment to pray.

✝ Thank you, God, for all our classmates.

Then we

think about
talk about
write about
draw about
act out

at home
in our neighborhood
at school
in our parish
in our world

When we see
We Believe we learn
more about our
Catholic faith.

Talk about your life right now.

What groups do you belong to?

Why do you like to be a member of
these groups?

WE BELIEVE

We learn about

- God the Father, God the Son, and God the Holy Spirit
- Jesus, the Son of God who became one of us
- the Church and its teachings.

We find out about the different ways Catholics
live their faith and celebrate God's love.
