

WE RESPOND

We can respond by:

- thinking about ways our faith affects the things we say and do
- sharing our thoughts and feelings
- praying to God.

Then in our home, neighborhood, school, parish, and world, we say and do the things that show love for God and others.

 Draw yourself doing something that shows you are a disciple of Jesus Christ.

When we see **We Respond** we reflect and act on what we have learned about God and our Catholic faith.

We are so happy you are with us!
