

WE RESPOND

We can respond by:

- thinking about ways our faith affects the things we say and do
- sharing our thoughts and feelings
- praying to God.

Then in our home, neighborhood, school, parish, and world, we say and do the things that show love for God and others.

When we see **We Respond** we reflect and act on what we have learned about God and our Catholic faith.

 Draw yourself doing something that shows you are a disciple of Jesus Christ.

We are so happy you are with us!
